Mi&Cu Gourmet - Fusion Liquorice & Mint 80g.

Mi&Cu's most creative range is comprised of a fusion of Mediterranean flavours and textures, whose different layers beckon us to discover new tastes and combinations, including the floral scent of jasmine with the acidity of lemon and the bite of cardamom, the sweetness of melon combined with refreshing mint, and the subtlety of honey and yoghurt...

Liquorice & Mint: an ideal combination for liquorice lovers, who will delight in finding all the characteristics of liquorice, rounded up with the freshness of mint.
